

USAID Youth Excel: Our Knowledge Leading Change Request for Applications

YLLP RFA YLA

Research Organizations to undertake Youth Landscape Analyses (YLAs) aimed at establishing a deep understanding of the current youth content in Malawi.

Question and Answer

1. Can an organisation registered as a Company Limited by Guarantee apply?

A company limited by guarantee is eligible to apply to this RFA.

2. How does one register for the DUNS number?

Please refer to the official instructions [here](#).

3. Where does one access the Due Diligence questionnaire?

[Due Diligence Questionnaire](#) which can also be accessed via the advertisement link

4. Question 1 on the Due Diligence Questionnaire: Would you clarify the difference, especially in the context of Malawi registration where both; registration as a charity or NPO and legal registration or incorporation are usually the same process and one certificate is issued by the government to that effect.

There is not a meaningful distinction between charity and non-profit organization for the purpose of Question 1. Applicants should respond “yes” if they are registered as a charity, non-profit organization, or equivalent and attach the corresponding certificate.

5. Question 1a on the Due Diligence Questionnaire: In terms of affiliation to another organisation (Q2), do you mean affiliation to NGO body in Malawi such as CONGOMA or working in partnership with any other organisation?

Question 1a refers to a legal affiliation, such as a parent organization, subsidiary, branch, etc. Applicants should not list other membership or partnership information here.
