Short Essay Questions

• This section has four short essay questions (500 words or less). Your responses will give the selection committee an opportunity to better understand you as an educator and to appreciate your ideas, goals, and reasons for applying to the program.

• The essay questions are:
  o Provide a summary in approximately 100 words of your personal/professional goals as related to this exchange program.
  o How have you shown leadership among your peers in your teaching community? Describe a specific situation or initiative through which you demonstrated your leadership capacity. Include comments on your teacher leadership goals in the next five years.
  o TGC prepares teachers to be ambassadors of globalized pedagogy to their schools and communities. How would you describe your school’s current level of global learning? How could an increase of international perspective and understanding in your school community benefit overall student learning?
  o If selected for the program, you will be representing the U.S. education system and U.S. culture to international audiences. Please describe a cross-cultural experience you have had and the skills and strategies you developed that you will utilize during the TGC International Field Experience, as well as to set up international partnerships in the future.

Please select the indicated minimum number of options or indicate that you do not have a preference. Please note that while IREX is collecting your travel preferences, the process of making travel placements is complex and takes into account many factors. IREX cannot guarantee that travel placements match preferences. Once placements are made, they are final and cannot be changed.
• Confirm your understanding that program participation may require travel while your U.S. school is in session and that you have your administrator’s support.

Supplemental Documents
• Please upload your résumé or CV in this section.
• There are two spaces for any additional supporting documents that you wish to upload and submit with your application.

Reference Form
• All applicants must include one completed electronic recommendation form from your principal or superintendent. This form is provided and distributed through the online application system.
• If there are technical difficulties with this process and your administrator has not received the link to the online recommendation form in their e-mail account, please try using a non-school e-mail address for your administrator. There are often strict firewalls and e-mail filters that may prevent IREX e-mails from being delivered to school e-mail accounts.
• You will not be able to submit your application until the reference is completed by your principal or superintendent. Once they have submitted a reference on your behalf, you must log back into the online application system and click the submit button.
